

REMARKS

Favorable consideration of this application, as presently amended, is respectfully requested.

By the present Preliminary Amendment claims 15 and 20 are amended to be rewritten as independent claims and new claims 34-93 are added for examination.

New claims 34-93 are believed to be fully supported by the original specification, and thus not add any new matter. With respect to new claims 34-39 and 46-49, see Figures 2, 3A-3C, 14, and 15A, 15B. With respect to new claims 40-45 and 50-52, see Figures 4-13 and 16-19. With respect to new claims 53-56, see Figures 20-28. With respect to new claims 57 and 58, see Figure 29. With respect to new claims 59 and 60, see Figure 30. With respect to new claims 61-68, see Figures 31-45. With respect to new claims 69-79, see Figures 47-58. With respect to new claims 78-82, see Figures 59-61. With respect to new claims 83-88, see Figures 62-66. With respect to new claims 89-93, see Figures 67-74.

The present application is believed to be in condition for a full and thorough examination on the merits. An early and favorable consideration of the present application is hereby respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
